

Dear Parents, Carers and Community Members,

We have been thrilled over the last few weeks to finally be using the new computer suite! After so many generous donations of computers, we were gutted to find out the electrics in the suite and cabling in the benches was not up to the job. A solution was found after Mr Uttley disassembled and transported back to Bournebrook a workstation island from a school that was about to throw it in the skip! After reassembly by Mr Uttley, we were helped out by parent Mr Hewitt who made sure all of the electrics in the room were perfect.

I am attaching some pictures of the suite in action, together with the names of all of our sponsors. We would also like to invite parents to take a look on parents' evening. I am sure you will all join me in thanking everyone involved; either those who donated funds or those who have helped to get everything up and running. Your children will, I know, benefit enormously.

Alison Patchett

### Shrove Tuesday / Start of Lent

Next week we will have our traditional pancake races on Shrove Tuesday, starting at 2.15pm. Parents are welcome to join us and children should bring a light, named frying pan to school. On Wednesday, children's Lenten promises will be displayed in the hall as we begin on our journey through Lent.

### After School Clubs

There are still places on Mr Mears' Wednesday Multi- Sports club for Y4/5/6. We have changed the price on ParentPay to cover just the weeks after half term if anyone would like to join the fun.

### Fun Club Places

For parents who are already users, slips to re-book for next year will be coming out next week, including requests for siblings. All other parents will be invited to apply for any free places when Reception places have been allocated in April. Parents should note that due to space limitations and in order to provide quality care, places are limited. Our policy for allocating places can be viewed on the website.

### Mrs Pegg – what a star!

After many weeks of working her socks off with Elm Class, it is Mrs Pegg's last day today. We cannot thank her enough for ensuring your children have continued to thrive in Elm this term and last. Put your feet up, Mrs Pegg! We welcome Miss Nagy who will cover Mrs Farrar's continued absence.
