

Bournebrook

Newsletter 4th May 2018

Dear Parents and Community Members,

Year two children started their SATs this week with Mrs Manning and I and we have both been very pleased with the children's sensible attitude and keenness to do well. In fact, the children have come into the library with cheery smiles for us, which has been so heartening. I know teachers would join me in thanking parents for their support with homework in the past few months, which has helped children get used to the format of tests. Tests will carry on until the end of the month.

Meanwhile, in year six children are preparing for their tests which take place in the **week beginning 14th May**. Governors join us during the week to provide support for the children and staff. We will be providing a special breakfast on Monday – Thursday that week for year six. The children enjoy this together and it will be served in Ash class from 8.30am. We thank staff for offering to do this.

Parents should be reassured that in all classes where statutory assessments are taking place, staff are vigilant about signs of stress and will be doing their best to make the process as pleasant as possible for children.

Alison Patchett

Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share this commitment.

Scarlet Fever

**We have a reported case of scarlet fever.
Please see NHS website for symptoms.**

www.nhs.uk/conditions/scarlet-fever/

Myton Hospice

Claire from Myton Hospice joined us on Wednesday and spoke to the children about the very special work that goes on there. All children have a task / collection envelope and all returned envelopes will go in a draw to win Monty Bear, regardless of the amount collected. We know that many of you have personal connections to this charity and it would therefore be lovely to be able to give lots of full envelopes to Claire when she returns.

New Dinner Menu

The new menu (starting 14th May) is now on ParentPay and ready to take bookings.
