

Bournebrook

Newsletter 7th February 2020

Dear Parents / Carers,

Thank you to all parents from Y4 who joined us at the meeting to discuss the statutory Multiplication Tables Check coming up in June. If you weren't able to join us, paperwork from the meeting has been sent out with your child and Mrs Mann or I will be happy to discuss the main points of the meeting with you. Children in year four are required to know all of their times tables fluently (up to 12x). We kindly ask that parents work at home with their children on this – it makes the world of difference!

I will shortly be writing to parents regarding meetings for parents of other year groups who are doing SATS this year.

With thanks for your ongoing support of learning at home,

Alison Patchett

Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share this commitment.

Sports Clubs

Mr Mears' clubs and Fitkids are now available for booking on Parentpay for after half term. Please make a note of the dates on your calendar / phone – especially the weeks when club is not on.

Jewellery

I have noticed that Pandora type rings are very popular in Y6 at the moment. Whilst we understand that the children are growing up and keen to show their individuality, rings can catch and scratch while playing tig etc. Can rings therefore please stay at home. Likewise, earrings should be small studs only.

Early Warningwe will be dressing up as book characters on World Book Day. I know that supermarkets are making a lot of money out of parents for this and also the impact of these throwaway costumes on the environment must be huge. Year Five children are therefore going to provide a rail for unwanted WBD costumes so that parents can donate last year's and choose a different one. OPEN FROM MONDAY.

If anyone has a spare clothes rail we could use for this, please drop it off – thank you!
