Newsletter 13<sup>th</sup> March 2020

Dear Parents / Carers,

### **Handwashing**

**We continue to follow Public Health England and DfE advice on handwashing – how often children should wash hands and how they should do that. We acknowledge that some children are getting sore or dry hands, however we should not ignore guidelines because of this.**

**We are encouraging children to carefully dry hands and children may bring in a NAMED tube of hand cream for their own personal use, if they can apply it themselves. However, we cannot accommodate children bringing in their own soaps for a number of reasons.**

**We thank you for your understanding.**

Alison Patchett

*Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share this commitment.*

### **Movie Night**

On Thursday 26th March the Friends of Bournebrook will be holding their next movie night at the school. We will be showing the singalong version of "Sing" from 4.30pm to 6.30pm, cost will be £3 per child. We will provide popcorn and a snack size chocolate bar but children will need to bring their own drinks bottle (water) which we can refill with water if necessary. This event is open for children in years 1-6 but please can we ask parents that if you know your child will not sit through a movie then please don't send them as this will ruin the film for others. We will be selling the places every morning and afternoon in the playground, this film is a U rating.

### **Sport Relief**

Thank you to School Council and Miss Connor for organising events for today. Today we have raised £126.50 for this worthwhile cause.

### **Possible School Closures**

**We have this week sent out additional reading materials and blank exercise books for use just in case schools close in the coming weeks. Please keep hold of these for the time being. We will want reading books and the exercise books with completed work back. Should closures happen, work will need to be accessed online.**
