# Good Morning Friends!

I hope you had a lovely Easter and you were lucky enough to get some eggs.

This term our topic will be 'Let's Go'. Each week we will go to different places including a journey, to space, to the farm, to the shops and to Africa.

# What day is it today?

Sing the days of the week song to find out.

What day was it yesterday?

What day will it be tomorrow?

Can you say it in a sentence...

**Today it is...**

# What is the weather like today?

Have a look out of the window or go outside!

Is it hot or cold?

Are the trees moving?

What colour is the sky?

Say your observations in a sentence:

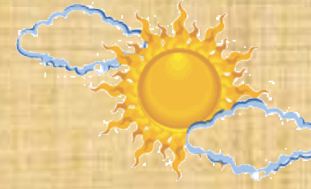

**The weather today is...**

Sunny

Partly Sunny

Partly Cloudy

Sun & Rain

Raining

Thunderstorms

Snowing

Cloudy

Windy

Rainbow

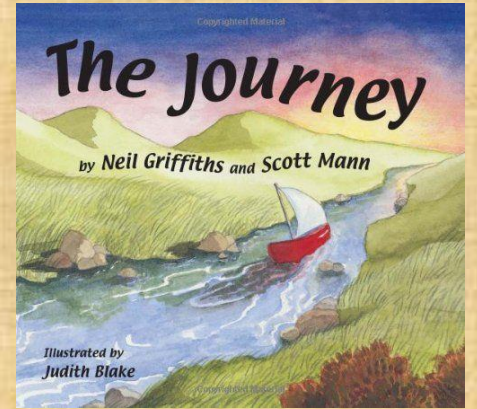

Tornados / Hurricanes

Clear

# Literacy

Our story today is *The Journey* by Neil Griffiths

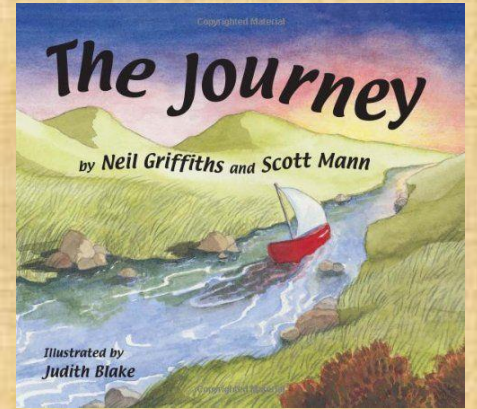

<https://www.youtube.com/watch?v=GLtS4Fjtwuc>

Listen to the story!

# Literacy

Sentence writing.

Ask your child where would they like to go if they could go anywhere on a journey.

It could be a journey to the seaside, a journey to their grandparent's house, a journey to school.

What things do they see and pass on their journey?

Do they see any rivers? Do they go under any bridges? What buildings do they pass?

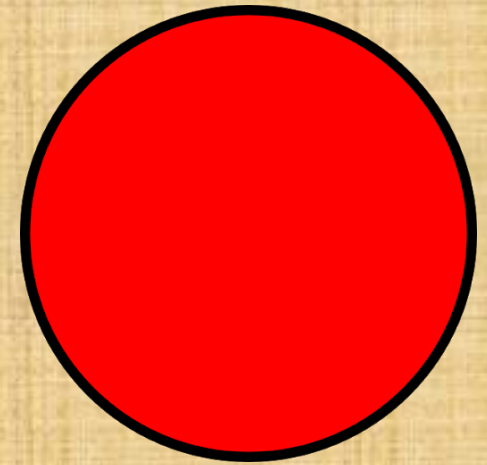

Ask your child to say the sentence:

I would go to..... on my journey. I would see.....

Children to write sentences in their book.

# Maths

Our focus today is circles.

**Today's Number  
is 6**

Show them number 6. Can they tell you the number? What is 1 more than 6? What is 1 less than 6?

Watch numbertime shapes -circles  
<https://www.youtube.com/watch?v=3ifulCA4apY>

Can you roll a circle?

How many corners does a circle have?

Go on a circle hunt around your house and garden. How many circles can you find? You can record them in your maths book by drawing them or by making a mark for each one.

# Phonics

Our sound today is igh.

<https://www.phonicsplay.co.uk/> please login into phonics play.

User name: march20 password: home

Click on parents, interactive resources, phase 3, Flash cards speed trial and finally phases 2 and 3. The children then say the sound that comes up on the screen. This activity needs to be done everyday.

Write igh ask your child to say the sound. The children will need their books to write some igh words in. You will need to say the word and the children will write it down. Ask them what sound they can hear first, what comes next and what they can hear at the end. They can write five words and then choose one to use in a sentence.

Some igh words: sigh, high, light, night, fight

Harder: wooden, bright, fright, flight, lighter.
