

**DR BAKER'S YEAR 3 MATHS**  
**FRIDAY 1<sup>ST</sup> MAY**

# WELCOME

Good Morning. Here are the answers to the times tables. Please mark them first.

Then as it is Friday again it is arithmetic test time. Most people should be doing the second one, the first is only if you really struggle. When you have marked your times tables set up your page from 1-15. Then turn over to the next slide for the questions. Take up to 20 minutes.

# HAVE A NICE WEEKEND

- Answers will be on Monday's slides.  
If you have any more time to do maths today make sure you have understood everything this week and then play some maths games.  
Otherwise, have a great weekend.
