

# Good Morning Friends!

**What day is it today?**

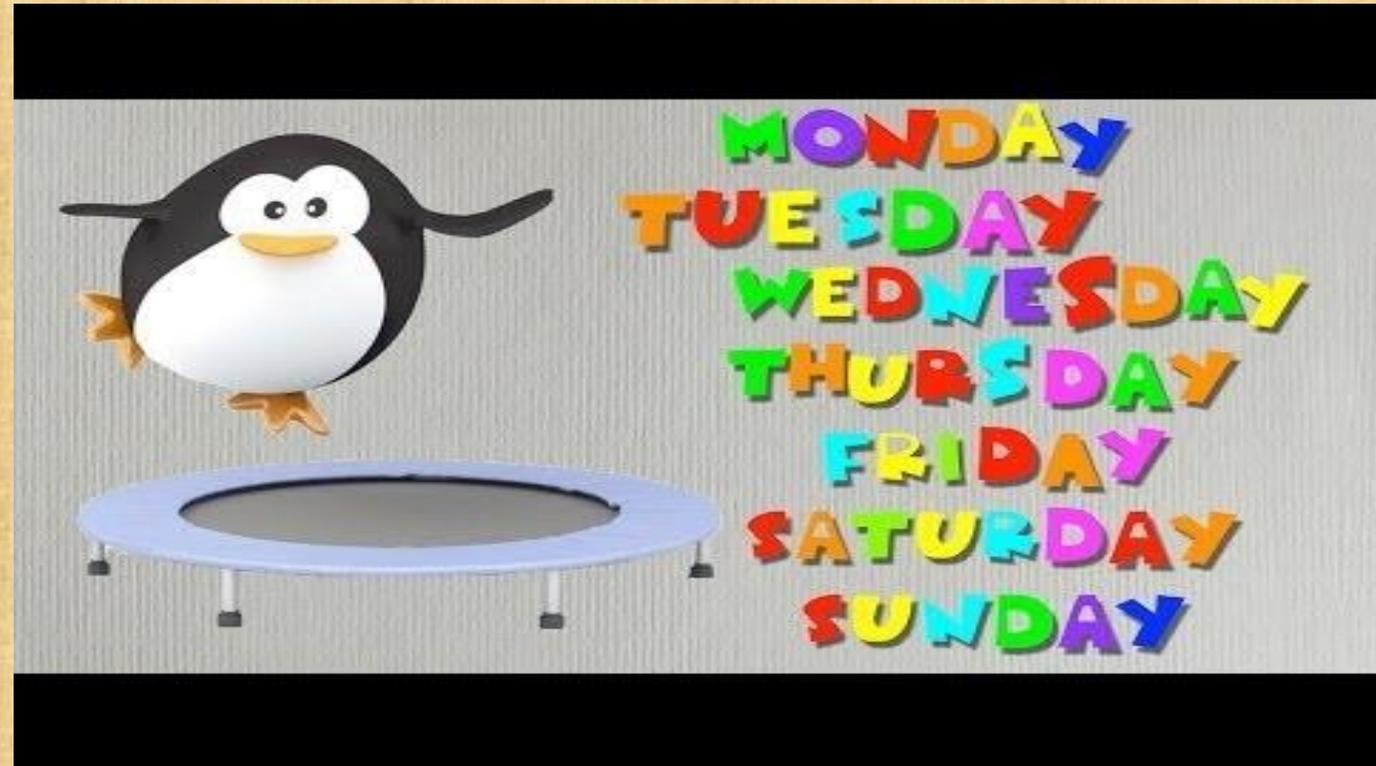

Sing the days of the week song to find out.

What day was it yesterday?

What day will it be tomorrow?

Can you say it in a sentence...

**Today it is...**

# What is the weather like today?

Have a look out of the window or go outside!

Is it hot or cold?

Are the trees moving?

What colour is the sky?

Say your observations in a sentence:

**The weather today is...**

Sunny

Partly Sunny

Partly Cloudy

Sun & Rain

Raining

Thunderstorms

Snowing

Cloudy

Windy

Rainbow

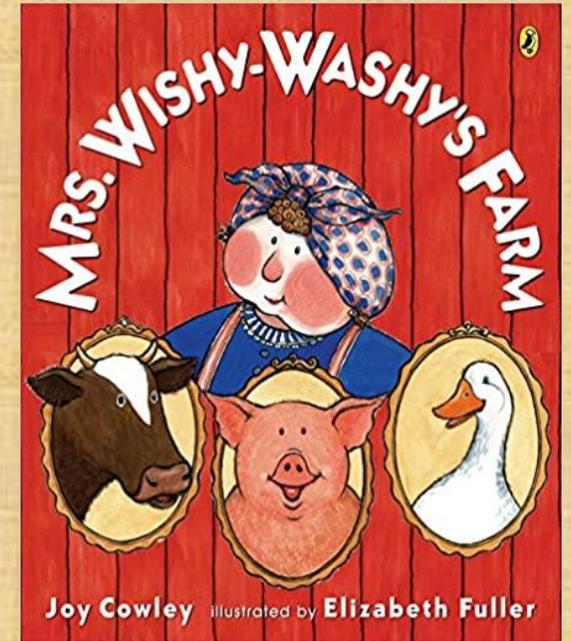

Tornados / Hurricanes

Clear

# Literacy

Our story today is [Mrs Wishy-Washy's Farm](#) by Joy Cowley

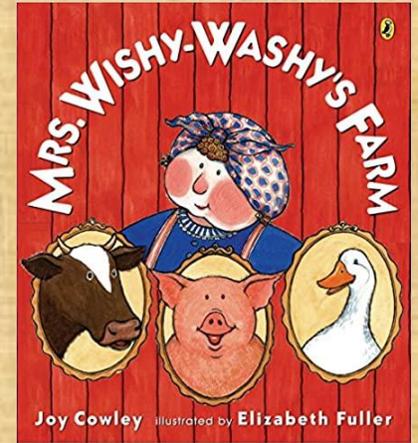

<https://www.youtube.com/watch?v=cizS3vyV8ks>

Listen to the story.

# Literacy

Writing another page for the story.

Did you enjoy this story?

I really enjoyed this story as it made me laugh. I thought the animals were a bit silly!

In the story it said the animals went into different barns in the city. Were they really barns?

No they were shops.

You are going to write another page for the story. Before the animals get taken to the animal jail they are going to visit another 'barn' (shop). Think of another shop the animals could visit.

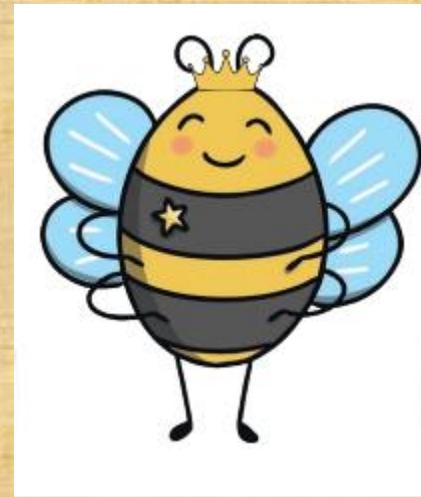

Next the animals go into a shoe shop, toy shop, bakery

Draw a picture of the animals in the shop and then write some sentences about the animals being in the shop.

Think about the sounds you can hear and use finger spaces.

# Maths

Our focus today is halving

**Today's Number  
is 4**

Show them number 4. Can they tell you the number? What is 1 more than 4? What is 1 less than 4?

Have different lengths of string or paper.

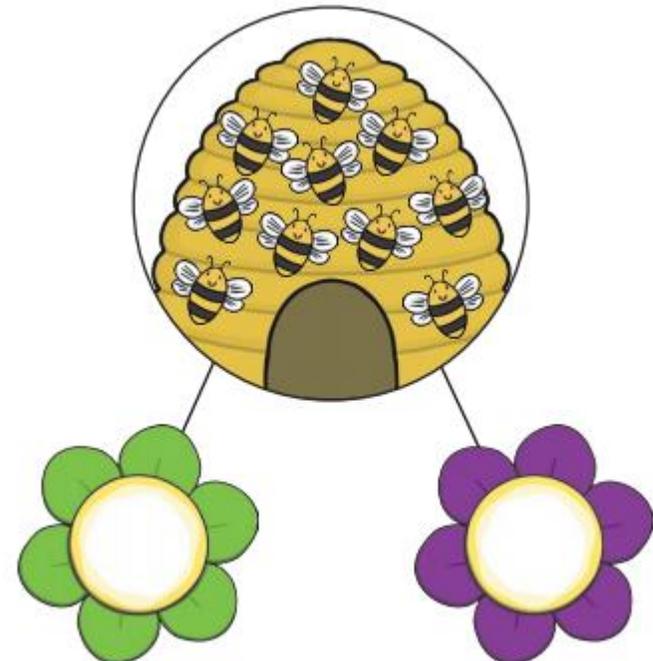

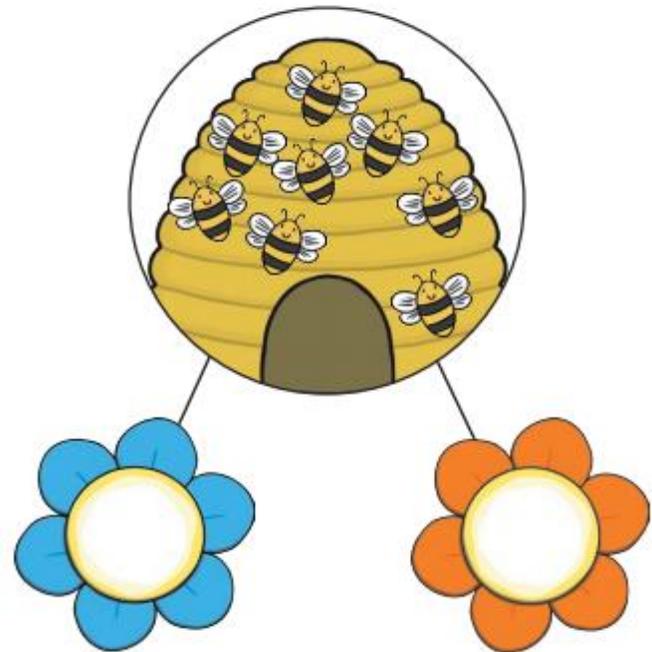

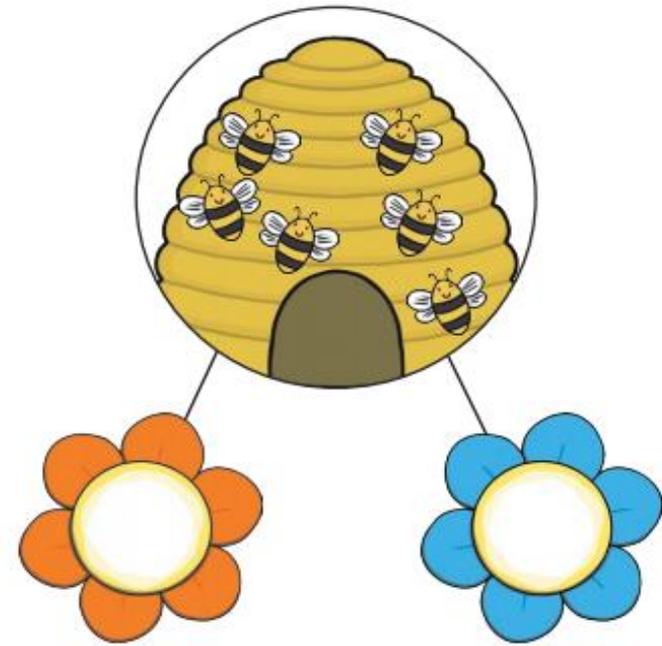

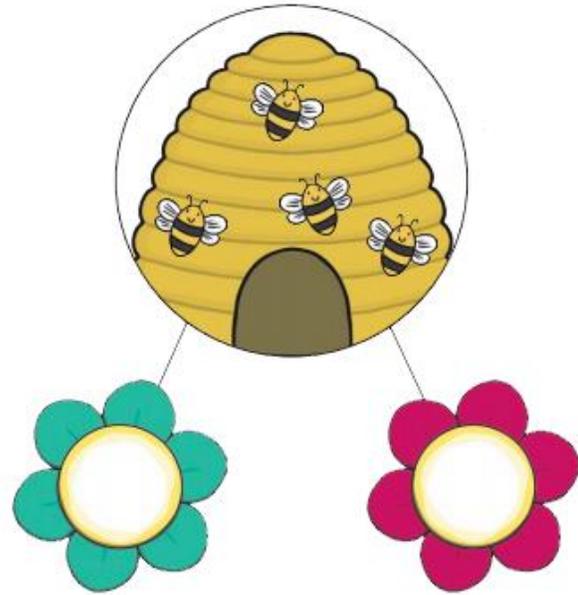

Show your child the whole piece and then cut into half. Ask your child if it has been cut in half?

Repeat with new lengths of string or paper sometimes cutting in half and sometimes not. Let your child check the two pieces to see if they have been cut in half.

The queen bee needs to share the bees out fairly so that each flower has half the number of bees from the hive. Can you help the queen bee put half of the bees on to each flower? (on the next page)

Draw the flowers and then draw the bees on the flowers.

# Bees in the Garden Halving Activity

# Phonics

Our sound today is oo

The children will need a pencil and paper for the lesson.

<https://www.youtube.com/watch?v=McxGM5mU0uM>

If your child needs some extra blending practice then there is also daily lessons to support this.

<https://www.youtube.com/watch?v=RAAcZbh1uM>

<https://www.phonicsplay.co.uk/> please login into phonics play.

User name: march20 password: home

There are also the games on phonics play that the children can access anytime.
