

**DR BAKER'S YEAR 3 MATHS**  
**MONDAY 11<sup>TH</sup> MAY**

# WELCOME

Good Morning. I hope you had a lovely Bank Holiday weekend. Did you celebrate VE Day? I am sure we will all celebrate when we can come back into school properly too but for now it is back to the slides! Let's see what we have in store for Monday's maths.

First up, a problem question. You will need to use what we learnt about converting units last week.

Here are the masses of four bags of vegetables. Order the bags from lightest to heaviest.

Onions 485g

Carrots 1kg

Green beans 220g

Potatoes 2kg

Answer tomorrow.

# TASKS FOR TODAY

L.O. To practise column addition

This week we are going to be working on our arithmetic skills again as they underpin everything we will do next year. This time we are going to use written methods – today column addition. If you have forgotten this method you can have a look at this clip and do the activities underneath first:

**[HTTPS://WWW.BBC.CO.UK/BITESIZE/TOPICS/ZY2MN39/ARTICLES/Z3KMRWX](https://www.bbc.co.uk/bitesize/topics/zy2mn39/articles/z3kmrwx)**

Then pick which level you think you need to start work at.
