## News and Updates for School Closure

**Children – If you feel unsafe at home, or are worried about the safety of a friend, brother or sister, call Mrs Patchett on 07787261064 or ring Childline 08001111.**

**Adults – if you have cause to be concerned about the welfare of any of our children, call the school mobile on 07787261064. For any other school business (including booking care for children in school) email [admin3215@welearn365.com](mailto:admin3215@welearn365.com)**

### School Matters

- A massive **well done** to all children who have been in bubbles since half term. We are proud of the way they have been coming into school and behaving so well
- Thank you to all parents for following our guidelines on dropping and collecting children. Being on time is really helping us to keep your children safe
- Can we please ask that the Wood Yard is not used for dropping or collecting, as it endangers those standing on the markers
- Can we politely ask that if your child is attending school, you strictly adhere to the Government's social distancing advice, to avoid putting other children, families and staff at risk
- Parents of children due to start nursery or reception in September have all been contacted and will be meeting virtually on 25<sup>th</sup> June
- Parents of other year groups will all be contacted next week regarding transition as we move towards the summer, in light of recent Government announcements
- We are fundraising for Myton – please do anything you like and donate to our JustGiving page – please see the website or FB for details
- Free School Meals - if you think you may be eligible for FSM, please apply here <https://www.warwickshire.gov.uk/education-learning/apply-free-school-meals>

### Home Schooling Matters

- Thank you for the feedback on home schooling. The changes have been made because some teachers are now in school looking after KW children or year one children. This means that a very small group of teachers are covering work for all year groups. We hope that the different format is working for you all. For those of you who asked for help with how the maths works, Dr Baker has provided a video explanation on our FB page
- Don't forget Mrs Manning's daily well-being activity and prayer (found on FB and the news section of website)
- Oak Academy resources and BBC Bitesize, as recommended for families by the Government, are still available for parents who want extra or who are not happy with what we are providing

***May I wish you all a pleasant weekend – let's hope the sunshine returns soon!***
