

Mrs. Manning's Daily Well-being Activity and Prayer

Prayer

Dear Lord

We pray for all the patients, families and staff of Myton Hospice.

Grant them strength and courage, peace and comfort.

Amen

Well-being activity

Do some flower painting. I don't mean painting OF flowers, I mean painting WITH flowers. Only with permission of your adults, pick some leaves and flowers, carefully dab them with paint and gently press them onto a piece of paper. Can you make a flower display or even a whole garden ?
