

Mrs. Manning's Daily Well-Being Activity and Prayer

Well-being Activity

Spend a little time looking at one of the zoos live web cams. Edinburgh's is really good, you can watch pandas, tigers, lions and koalas but my favourite is the penguins. They are so funny! Then you could find out more about the various conservation projects for them.

Prayer

Lord,

Grant us the wisdom to care for the earth and everything on it.

Help us to act now for the good of future generations and all your creatures.

Amen
