Hey, summer's here! Six whole weeks to do what you want... But what might that be? Sometimes, the long summer holidays can get boring.

There are lots of interesting things you can do at home or in your neighbourhood that are great fun to do and don't cost a lot of money. Talk to your friends and families about which ones you would like to do and how they might help you.

Take your form into school in September to remind you of all the exciting things you did in your holiday.

Parents, carers, grandparents, brothers and sisters, uncles and aunts can all join in the fun – ask them which one they would like to do with you? You can find out how to do lots of things on YouTube. Check it is OK for you to use the internet first. Some activities may not be safe to do during the Coronavirus pandemic. These activities are marked with an asterix*. Ask an adult first if you can do them safely.

There are a range of other activities over the summer period. Check the Family Information Service webpage at www.warwickshire.gov.uk/fis. You can sign up to the newsletter from there for regular updates on things to do.

Remember to ask permission before you use any equipment or do any activities. But most of all.....
have fun!
