

9<sup>th</sup> October 2020

Dear Parents,

It's been another very busy week in school. Thank you to all parents who have supported their children with homework on the new online system and submitted work. If you haven't yet got your head around it, please do make time to do this, as it is the system that we will be using should any bubble have to close.

We are celebrating black history month in school, in particular finding out about the lives of famous people or those whose lives have had significant impact without being famous.

It was a cheery end to the week with lots of yellow around, as we marked World Mental Health Day in school. Upper school children all promised they were going to get some rest, fresh air and spend less time online this weekend.

Have a lovely weekend,

Alison Patchett

*Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share this commitment.*

*We still all need to remain vigilant by watching out for symptoms of coronavirus. The symptoms are:*

- a new continuous cough*
- and/or high temperature*
- and a loss of or change in normal sense of taste or smell.*

*If you or your child shows these symptoms:*

- do not come to school*
- inform the school of the situation*
- self-isolate with your household*
- book a test immediately*

## Harvest

Please see the separate letter sent this week.

## Communicating with School

Please see attached sheet to help you keep in touch with us while you are unable to come on the playground.

## Positive Impact

Mr Winn and Mr Davies will start new clubs every half term. Look out for the information and sign up before the cut off, the day before the club starts. Numbers will be limited to keep everyone safe - first come / first served.
