

## Dr Tony Moriarty

I am the Chair of Governors at Bournebrook school,

Both my children were pupils at the school and this encouraged me to be more actively involved.

I have been a Governor for 10 years, firstly as a parent Governor and then I have been Chair for the past 5 years.

As Chair I am responsible for all aspects of Governing, including Finance, Professional Standards, Staff (including appointments) and monitoring progress both in terms of academic and non-academic achievements.

A long time ago I set up the Facebook page that we have all found so useful.

Professionally I am a Paediatric Anaesthetist working at Birmingham Children's Hospital, and thus one of my roles as Governor is to be the Safeguarding Lead.

The Governing body at Bournebrook is composed of very experienced and effective Governors, helping myself and the school to provide the best education we can for our children.
