Newsletter

29th January 2021

Dear Parents

It has been a difficult week in many ways for children, parents and staff with the snow day and then upper school bubble closing and I hope that you have all got through the week without too many stresses.

I hope remote learning is going as well as it can in your homes. I know you will be disappointed to hear that children aren't coming back to school yet and we are too, however I know that you are all putting in a tremendous amount of effort at home and we are grateful for that. Our children should all be proud of themselves for the way they are conducting themselves.

Please don't forget to ask for help - either by emailing admin, speaking to Mrs Maunder when she calls or by children asking teachers through the chat function.

We are here to support.

Stay safe this weekend,

Alison Patchett

Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share this commitment.
