Newsletter

5th March 2021

Dear Parents

We look forward to seeing all children back in school on Monday. If you have misplaced your letter regarding drop off and collection times and all information regarding the return to school, it can be found on the school website.

I know that many of you will have found home learning difficult, and we appreciate all the efforts you have made. We are also grateful to those of you who have qualified for a school place and kept your children at home whenever possible.

As we move forward in the next few weeks, teachers will be assessing where children may have gaps in learning in order that we can plan for spending additional government funding to support learning across all year groups.

Have a safe weekend,

Alison Patchett

Bournebrook is committed to safeguarding and promoting the welfare of children. We expect all staff, volunteers and parents to share

Thank you to Bournebrook staff

I would like to thank all of my staff for their commitment through this last lockdown, they have made me very proud.

Special surprise for all children

We know some children will be apprehensive about returning to school. Please reassure them that it is normal to have their Early Warning Signs and there will be something special waiting for them all.

Playground

You may have seen our new playground and thank you to all children who provided ideas for markings. Today WCC has provided some markings for free and these will be added to later this year with some of the children's super ideas.

Parents' Evening

Thank you to all who joined us via SchoolCloud. We hope the time to chat with class teachers was useful.

Diary Dates

19th March Red Nose Day

EASTER HOLIDAYS

Friday 2nd April to Friday 16th April

Social distancing

Please remember to follow strict social distancing guidelines at the school gates and wear a face covering unless you are exempt.
