

Pen Portrait – Jane Udall, Governor

Jane is a Local Authority Governor at Bournebrook, who was appointed to the role in September 2019.

For 29 years, up to July 2019, Jane had been the Nursery Nurse and later Senior Early Years Educator, firstly at Corley C of E First School and, when the two village schools joined together, at Bournebrook C of E Primary School. Jane was delighted to become a governor shortly afterwards, having been involved with the children, families and communities of Corley and

Fillongley for so many years.

Jane sees her role as governor as being alongside the children, families and staff at Bournebrook, to give support and encouragement wherever possible.

When allowed, Jane is looking forward to once again being in and around school as a friendly face and listening ear to everyone in the Bournebrook family.
