

Pupil Premium at Bournebrook

At Bournebrook, a small percentage of our children are eligible for Pupil Premium funding. This means we can very carefully target spending, for best impact. Having a small number of children eligible also means that all staff are able to “keep these children in mind” in all we do on a daily basis.

Our allocation in 2019 / 2020 was £12860.00

The impact of our spending and specific costings can be seen in the following table:

Item and cost	Used to support	Why	How will we know we have been successful?	Impact
Emotional well-being support provided by Sycamore Counselling £3600	Pupil Premium children (and others in groups) in need of emotional support / counselling / nurture work	Emotional well – being is a priority at Bournebrook and this can be a huge barrier to learning	Children accessing support feel supported and readily access sessions.	Children making good academic progress and mental well being supported.
1:1 class teacher mentoring in ppa time £1230	PP children across school – focus upper school	To identify and fill gaps in learning.	Evaluation of sessions shows specific areas of learning addressed. Improved outcomes for children. Children better equipped for next phase in learning/ next year group.	End of Autumn term data shows good progress in all children involved.
Contribution towards cost of a temporary maths specialist to facilitate the teaching of maths across school. £5000	All children across school	Progress in maths from KS1 to KS2 an issue, including that of pupil premium children. Impact of good / outstanding teaching on PP children has an increased positive impact in comparison to non PP children.	Children progress better in maths than previously.	In year data shows positive impact to March. Unfortunately this is a fixed cost for entire year and benefits were not accessed after lockdown.

School Uniform £60	CONFIDENTIAL – see headteacher	CONFIDENTIAL – see headteacher	CONFIDENTIAL – see headteacher	Children kept warm, clean and happy at school
One to one sessions before school £2460	Pupil Premium children – providing further support for reading / phonics	Where families are unable to provide this at home, this support means children are not at a disadvantage compared to peers	Targeted children making progress at least as good as peers	Unfortunately lockdown meant this support was ended and the impact was not as predicted
Resources to support pupil well-being at beginning of new year £130 (CLPE books)	All children	Unsure of impact of lockdown on pupils and therefore an additional focus on PSHE / well-being at start of year	Children will be happy and settled in school	All classes worked on the book, with positive feedback from all classteachers
